Frequently Asked Questions

Q: Can I enrol on a class-by-class basis or do I have to enrol for the full course?

A: You can enrol for the full 3 days or on a daily basis but you are unable to attend individual classes (casual classes).

Q: Do I need to be good at ballet or be able to sing?

A: No – the workshop is 'open' which means that different levels will be catered for. We are expecting people with a range of abilities and strengths in different areas.

Q: Is the workshop only for people who are auditioning?

A: While the workshop is a very good idea for those who would like to audition, it is also suitable for anyone (15+) who would like to do a dance and musical theatre workshop in the holidays.

Q: Do I need to buy shoes if I don't already have them? (e.g. ballet or tap?)

A: You don't need to purchase shoes for the workshop but you should bring whatever dance shoes you have.

Please bring normal dance attire for all dance subjects and comfortable, exercise appropriate clothing for the other classes.
